

# WYCLIFFE OPPORTUNITIES

...being confident  
of this, that he  
who began a good  
work in you will  
carry it on to  
completion until the  
day of Christ Jesus.

(Philippians 1:6 NIV)

More than 380 million people worldwide still need God's Word in their language. At the current rate of translation, they would have to wait for another 100 to 150 years. That's too long!

Wycliffe's mission is to assist the Church in making disciples of all nations through Bible translation. We believe God is calling His people to a greater sense of urgency for Bible translation. Our vision is to see translation in progress among every language group that needs it by 2025. This is a humanly impossible vision. But we also believe it can be realized if we work under God's direction in worldwide partnership with others.

You may be interested in training to be a translator or literacy specialist. Or you may be in training for, or already have, one of hundreds of other skills needed to help provide God's Word for a world in need.
