

## Facts

- 4,500 square feet of hands-on exhibits, interactive media, games and video presentations focusing on the history of the Bible, the world's languages, and the ongoing work of Bible translation.
- Exhibits and activities are designed for both children and adults.
- Visitors are able to:
  - Learn about the history of the Bible and its authenticity through audio dramas.
  - Create rubbings of the Hebrew Ten Commandments as well as John 3:16 from John Wycliffe's translation from 1384.
  - Express their thoughts about the value of the Bible on a "graffiti scroll."
  - Try their hand at living cross-culturally through the *Translation Daze* interactive game.
  - Print their name in 12 different alphabets.
  - Experience a different culture through the eyes of Wycliffe personnel with exciting stories to share.
