

Let's Make Some Goals for the Year!

Hi, kids!

It's always a good idea to come up with goals for each year, right? Goals help us do things that we've maybe never done before, like memorizing new Bible verses and learning how to make something new.

That's why Mack and I thought it would be fun to come up with our own goals for the new year! Here are some we've made:

- ✓ Memorize one Bible verse a month.
- ✓ Help my parents by setting the table for dinner every night.
- ✓ Read for 15 minutes every day.

Now it's time to make some of your own goals! To make it easier, try setting goals for each month instead of a whole year. Try to come up with one new goal each month. At the end of the year, you'll be able to look back and see all the awesome new things you did!

So are you ready? Let's make some goals!
