

Hi, kids!

Prayer is really important, and you can do it no matter how old you are. It's a time to talk to God, praise him, thank him for all the blessings he gives us, and so much more. Lots of people like to take the month of November to thank God for all the wonderful blessings he has given them, because it's a month of thankfulness. After all, Thanksgiving Day is about stopping and thanking God for all that he's done!

That's why Mack and I thought it would be fun to take the whole month of November to talk to God about lots of different things. Each day we'll give you something new to do or pray about. And I think that by the time November 30 comes around, you'll be feeling extra grateful for all God has done for you!

So are you ready? Let's start praying.
