Jesus Loves All People

Around the world, there are at least 7,000 languages. Let’s read that again: around the world, there are at least 7,000 languages!

These languages are spoken and signed by more than 7 billion people. And these 7 billion people are all loved by God. In fact, he loves them so much that he sent Jesus, his one and only Son, so that they could learn about his love.

But many people around the world still don’t know about Jesus. They haven’t met him through the Bible yet.

That’s why Bible translation is so important - so all people can know that Jesus loves them! When we have the Bible in a language we can understand, we get to meet Jesus. And when we meet Jesus, we learn about his love. That’s amazing and something we want for all people!
All people need to know Jesus loves them.
