

PARATHA RECIPE!

In Bangladesh, people eat bread called Paratha. It's a flatbread, sort of like a pita or tortilla, and it's really easy to make!

INGREDIENTS:

2 cups flour

Enough water until all the flour sticks together

4 tbsps vegetable or canola oil

Add salt to taste

Mix all of these ingredients together. Then make small balls and roll the dough out. Spread a little bit of oil on both sides of the dough, then fry in a pan until golden brown.
