

GIFT OF STOCK INSTRUCTIONS

Thank you for your interest in making a charitable gift to Wycliffe Bible Translators, Inc. in the form of a stock transfer. Please complete and return the second page of this form to receive your tax acknowledgement.

BENEFITS OF GIVING A GIFT OF STOCK

Giving a gift of publicly traded stock that has increased in value and that you have owned for more than one year may provide better tax benefits than giving cash. Your charitable income tax deduction is equal to the fair market value of the stock, and you avoid paying the capital gains tax on any increase in the current value over the original cost of the stock. You may also save on brokerage fees, because you are transferring ownership rather than selling the stock.
